### Daycamp Policies, Procedures, and Release Agreement

- 🐾 **Daycamper Requirements:** Dogs participating in daycamp must be in good general health, free of fleas and ticks, and must be spayed or neutered if over 6 months of age. To prevent the spread of infectious diseases, all patients staying in the hospital must be current on the following vaccines: rabies, distemper, and bordetella and free from internal parasites (annual fecal examination required).
- 🐾 **Aggressive Dogs:** I understand that if my dog acts aggressively or shows unacceptable behaviors, he/she may be separated from the daycamp group and be given individual play time based upon staff discretion. I understand that a Grace Park Animal staff member will consult with me on ways to address any behavioral issues that may arise. Aggressive dogs may be asked not to return to daycamp and alternative options will be explored.
- 🐾 **Photographs:** I am aware that photographs taken of my dog participating in daycamp may be posted to the Grace Park Animal Hospital website and/or Facebook page.
- 🐾 **Duty to Disclose:** I have disclosed and will continue to disclose in the future any and all medical or other conditions, including personality issues or concerns that may affect my dog's ability to participate in daycamp.
- 🐾 **Acceptance and Acknowledgement of Daycamp Participation Risk:** I understand that there are inherent and potential risks involved with interactions between humans and dogs, as well as between dogs and other dogs. These interactions could result in injury and I understand that Grace Park Animal Hospital will take appropriate medical action in such situations to ensure the safety and well-being of persons or dogs involved. I fully accept and assume responsibility for all risks as a result of my dog's participation in daycamp.

I acknowledge and agree that all the information provided in this form is complete and accurate to the best of my knowledge. I further acknowledge and agree that I have read, understand, and agree to all terms and conditions outlined in the Daycamp Policies, Procedures, and Release Agreement.
